**KIMPTON MASON & ROOK HOTEL LAUNCHES AS D.C.'S NEWEST  
STYLISH DESTINATION**

*On the 14<sup>th</sup> Street corridor, Kimpton's latest Washington, D.C. hotel treats guests and locals to a distinguished and dapper urban retreat*

**WASHINGTON** – Kimpton Hotels & Restaurants announces the opening of **Kimpton Mason & Rook Hotel** - its latest lifestyle destination property - on April 28, 2016. Mason & Rook, nestled in the heart of D.C.'s dynamic 14<sup>th</sup> Street neighborhood, is the city's newest locale for work and play and serves as a perfect starting point to enjoy the District's most popular bars, restaurants and boutiques.

Mason & Rook was designed with a social scene in mind, effortlessly blending the familiarly comfortable and distinctly stylish. The decor, led by Kimpton's creative director of design Ave Bradley and New York-based Bill Rooney Studio drew inspiration from the charming tree-lined streets and brownstones near Logan Circle to evoke a warm, engaging and residential feel.

Upon arrival, guests will be met by a well-styled living room reminiscent of a well-appointed great room furnished with comfortable seating and a stylish credenza rather than the traditional front desk. Observant guests will notice subtle surprises in the details of the design and will discover something new around every corner.

Mason & Rook provides spacious accommodations thanks to its former life as an apartment building. The hotel features 178 rooms – some of the largest in the city – including 18 luxurious suites which effortlessly exude the sophistication of a stylish retreat designed to look and feel like a friend's coveted urban apartment. Design details include luxe fabrics, eclectic artwork, refined millwork, subtle plaid carpet and richly textured finishes throughout the property. Guest rooms ensure comfortable stays with plush beds, spacious work desks, large marble bathrooms with walk-in, glass enclosed rain showers and 65-inch smart TVs in each room. The hotel's Premier Spa Suites located at the corners of the hotel feel like small apartments unto themselves and are each outfitted with relaxing free-standing soaking bathtubs.

"Kimpton Mason & Rook Hotel is proud to be a part of the vibrant and thriving 14<sup>th</sup> Street neighborhood, drawing visitors to explore this interesting area of the District," says General Manager, Donte Johnson. "From our unique amenities and locally curated programming to our warm hospitality and excellent service, every aspect of Mason & Rook embodies the essence of a modern D.C. lifestyle."

Adjacent to the hotel is **Radiator**, a culinary-focused cocktail bar featuring contemporary American small plates with global influences imagined by Executive Chef Jonathan Dearden. The eclectic menu complements a dynamic beverage program by Lead Bartender Sarah Rosner, which includes curated

whiskeys, off-the-beaten path spirits, crafted classics, and a discerning selection of local beers and wines. Radiator features a 57-seat bar area, a separate 23-seat lounge area with several nooks for intimate gatherings, an outdoor 50-seat patio with a large fire pit and games such as backgammon, dominoes, checkers and chess available throughout the space. Hotel guests can also experience Radiator's cuisine through 24-hour room service.

For breathtaking views of the iconic D.C. skyline, visitors can head to **Mason & Rook's rooftop** and luxuriate in a relaxing urban oasis and retreat. Open approximately Memorial Day through Labor Day, the chic penthouse deck features a swimming pool, contemporary chaises for pool-side lounging, drinks and light bites by Radiator and expansive views of the District's iconic skyline. In addition to daily guest use, the rooftop will be available for small, relaxed receptions and special events.

Kimpton's Mason & Rook Hotel is committed to elevating every guest's experience and is unveiling a distinct set of amenities as part of its inspired hotel programming:

- **Shinola Watch Butler Service:** In partnership with American luxury lifestyle brand, [Shinola](#), guests at Mason & Rook can borrow a handsomely crafted Shinola watch during their stay at no expense.
